

WASHINGTON STATE CENTER FOR CHILDHOOD DEAFNESS AND HEARING LOSS WASHINGTON SCHOOL FOR THE DEAF CAMPUS

Our Agency

CDHL, which operates the Washington School for the Deaf (WSD) and statewide outreach services, is an educational community and statewide resource committed to ensuring all deaf and hard of hearing students in Washington reach their full potential. Our agency offers a variety of services in academic, residential, and outreach programming.

Our Staff

Our employees are more than just workers. They are part of a community, network, and family. Each staff member serves as a role model to students.

We're looking for people that can contribute, grow, think, and dream. We thrive in a culture that embraces diversity and rewards imagination.

Our Students

Our diverse student body is made up of many faces, backgrounds, and personalities. Our goal is to help students who are deaf and hard of hearing learn, grow, and succeed. WSD is an ASL English bilingual educational environment. We support the attainment of literacy in both languages.

WSD Students are:

*Bilingual · Empowered · Successful
for Today and Tomorrow = the BEST!*

Position: Educational Audiologist
Agency: Washington State Center for Childhood Deafness and Hearing Loss (CDHL)
Washington School for the Deaf campus
Location: Vancouver, WA
POSTED: March 2015 for 2015-2016 school year
This is a one year non-permanent position

Position Responsibilities:

The Educational Audiologist is responsible for serving deaf and hard of hearing students at the Washington School for the Deaf (WSD) campus. Duties include performing audiological evaluations, writing professional reports, providing evaluation results and consulting with parents and appropriate staff, and attending Individualized Educational Program (IEP) meetings.

The Educational Audiologist fabricates ear molds, provides hearing aid support services, manages the school-wide FM System to meet amplification needs, assists with designing programs and services for students with cochlear implants, and provides direct functional language and communication instruction with students. This position serves as the resource person to staff, district personnel, and parents in relation to audiology and provides in-class support to teachers.

Duties Include:

- Provides ongoing professional communication with parents and school staff using American Sign Language (ASL) and written English.
- Coordinates with outside agencies and organizations for additional resources as needed.
- Consults with school staff and participates in IEP meetings.
- Helps school staff understand the effects of hearing loss on academics and assists them in managing hearing loss in the classroom.
