

Deaf Culture Question of the Week – November 17 – 21, 2008
Bill Newell, Principal, Washington School for the Deaf

What was the title of the Star Trek: The Next Generation episode that featured a deaf person? (Bonus question – Who was the deaf actor?)

- a) The Silent whistle
- b) Loud as a Whisper
- c) Silent Voyager
- d) Signs from Space

Scroll down for the Answer

Answer: (b) "Loud as a Whisper" - This episode featured our own Washingtonian Howie Seago playing the role of "Riva". The episode aired on January 9, 1989. Read a summary of the plot and see a picture of Howie Seago in his role as "Riva".
