 Program

Serving families of deaf and hard of hearing children
 ages birth through 3 years old in
 Clark, Cowlitz and Skamania counties.

It's never too early to start learning.

Discover a new world of communication and learning with your child.

Washington School for the Deaf Family Infant Toddler Program is designed to strengthen family communication and encourage the development of language and social skills at an early age.

A Parent Infant Specialist combines fun with learning in a supportive environment for you and your family.

Share and socialize with other parents who are experiencing the same communication challenges with their deaf and hard of hearing children.

***"Family Infant Toddler Program** has completely changed our lives by showing us that we are capable of accomplishing anything. Our children are communicating with their sister, we are learning together and growing as a family."*
