## Construction Training Academy Serving Deaf and Hard of Hearing

Through the partnership of the Washington School for the Deaf and ESD 112 we are able to offer a unique opportunity for specialized training in construction for Deaf and Hard of Hearing individuals. If you are a resident of Washington, graduated from high school and are between the ages of 18 – 21, you may qualify. Programs run approximately 3 – 4 months depending on individual programs.

### Construction Training Academy

Do you enjoy hands-on learning and working outside? Do you want a skilled profession that pays well? Then you may be just the right fit for a career in the Skilled Trades. The Construction Training Academy will provide instruction in valuable construction skills. Youth will work with a Journey level carpenter and assist in a variety of building projects. You'll learn safety practices and principles, proper hand and power tool usage, appropriate job site behavior and teamwork skills. You'll gain knowledge about apprenticeships and training in trade careers. You'll put your new skills to work with real projects that benefit our community. Check out the Construction Training Academy to start building your future.
