

HS & BEYOND

YEAR 2020-2021

COURSE DESCRIPTION:

The ultimate goal of each student is to become well-prepared and well-equipped by having an HS & Beyond Plan in place!

As a part of HS & Beyond Plan, the students will compile a comprehensive collection of important documents, such as audiogram, HS transcript, medical records, the contact information of local resources, local interpreting agencies, DVR contact information, bank account information, birth certificate, and many, many more!

Their HS & Beyond Plan will be more than just a plan for their future. It will become a handy and useful resource for the students to keep as a future reference whenever necessary such as applying for a new job, apartment, filling out a medical history form, or local services like DVR or an employment agency.

To successfully complete this class, the students will individually present their HS & Beyond plan in front of a panel of staff and, if desired, family members and/or friends. The students will be graded upon their quality of presentation slideshow, the completion of the documents compiled in the plan, and their presentation skills on the top of the grades of their assignments and participation throughout the school year.

GRADING:

Quarterly grades will be determined as follows:

- **Class Assignments: 40%**
- **Final Presentation: 40%**
- **Participation: 20%**
